Better than men and women, friends
That are dust, though dear in our joy and pain,
Are the books their cunning hands have penned,
For they depart, but the books remain;
Through these they speak to us what was best
In the loving heart and the noble mind;
All their loyal souls possessed
Belongs forever to all mankind.

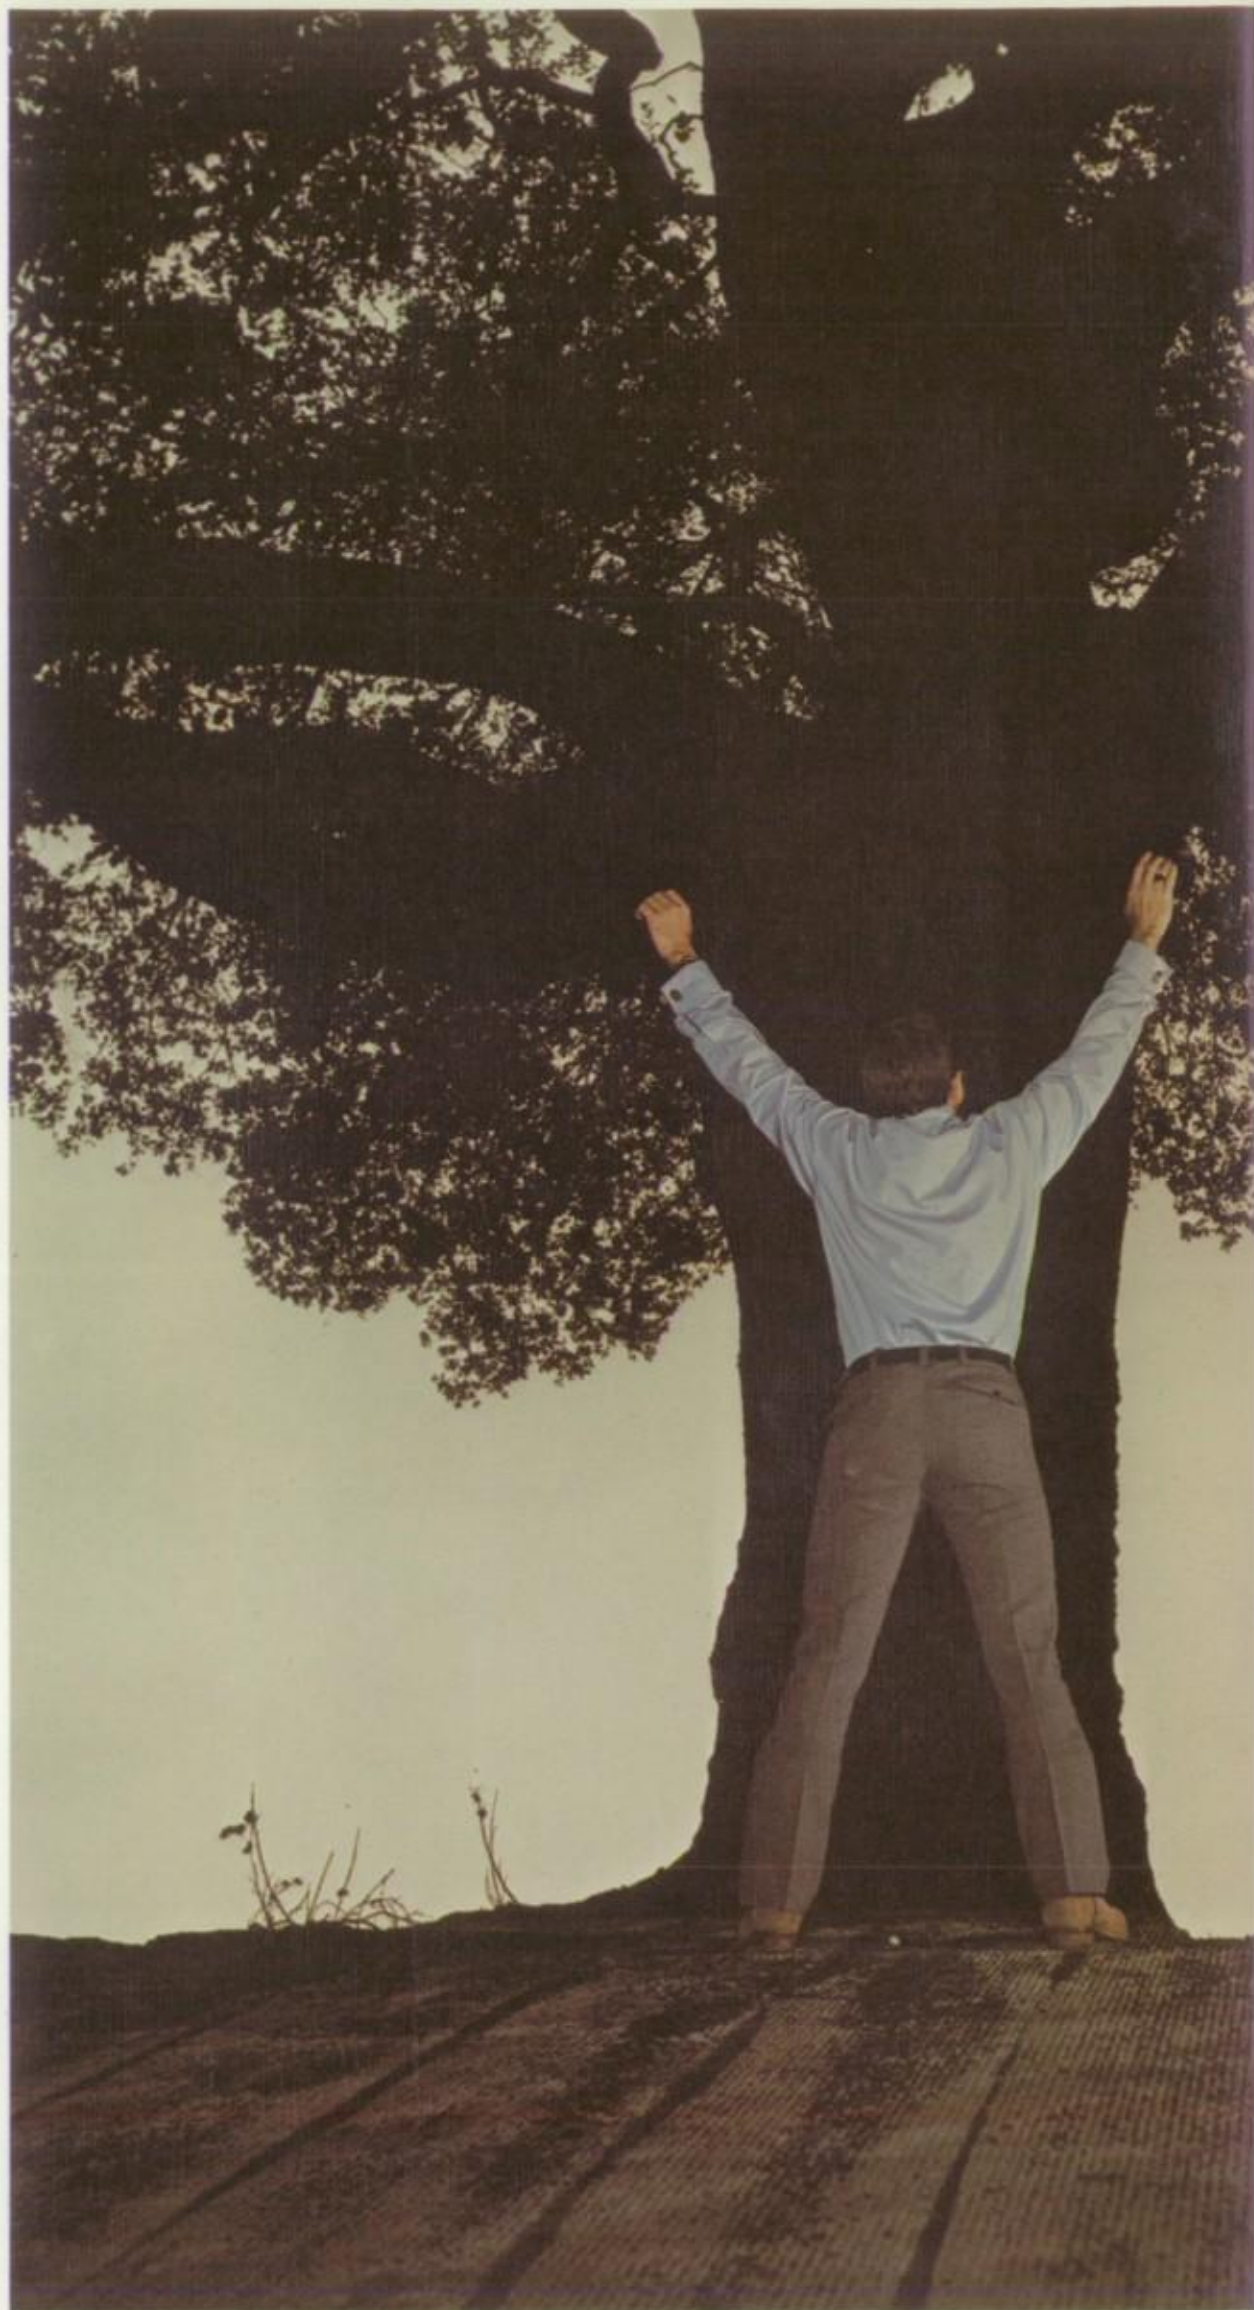

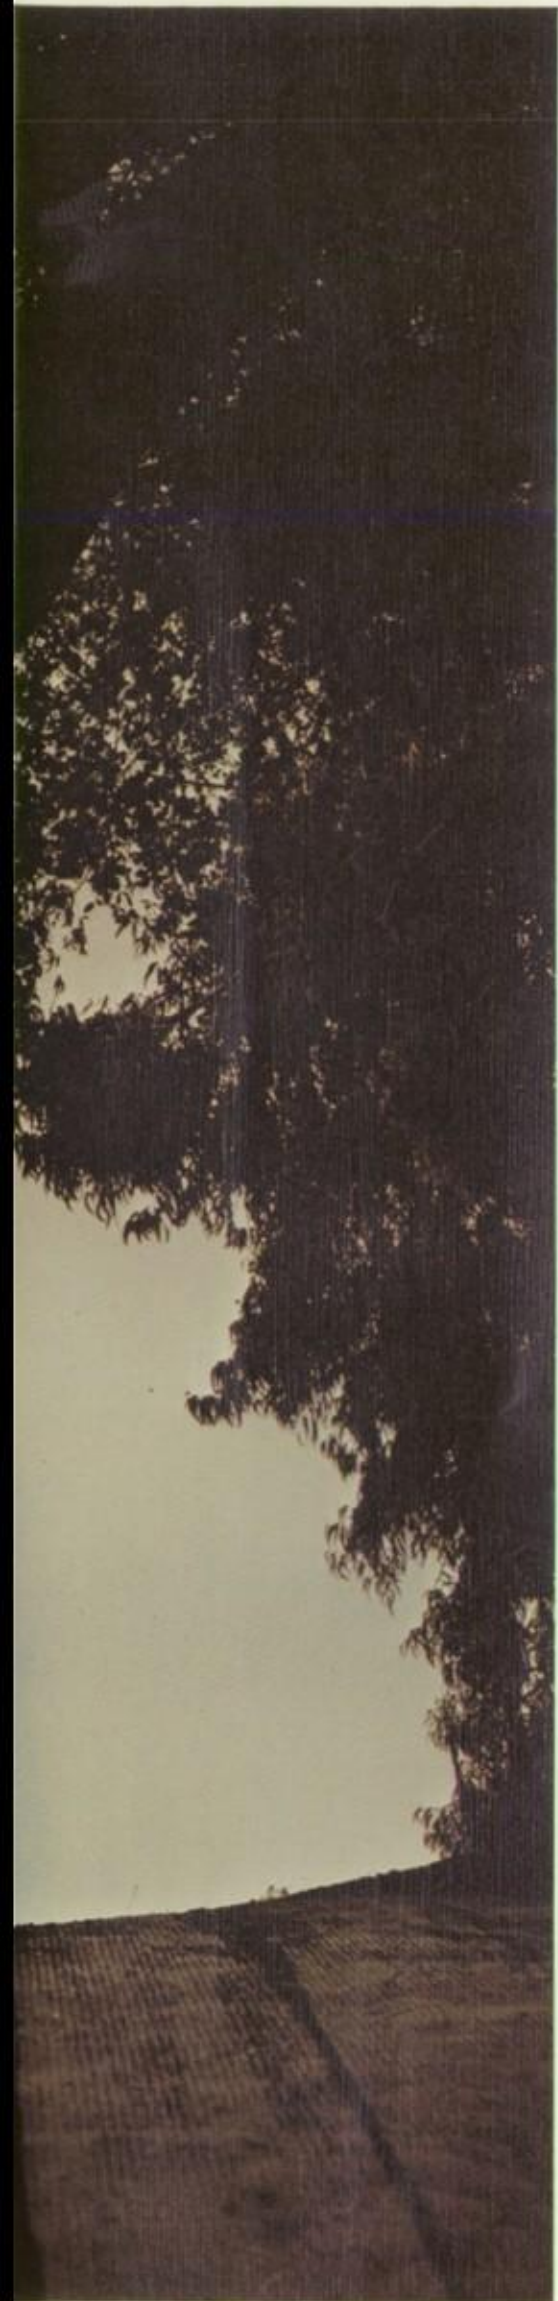

*I know that all the new years and the old
Shall hold for you bright cups of gold
Filled high with love and plenty.*

*To all who seek, it is given,
it comes by devine law.*

*Man is the image of spirit and light;
Dust has neither mind or might.*

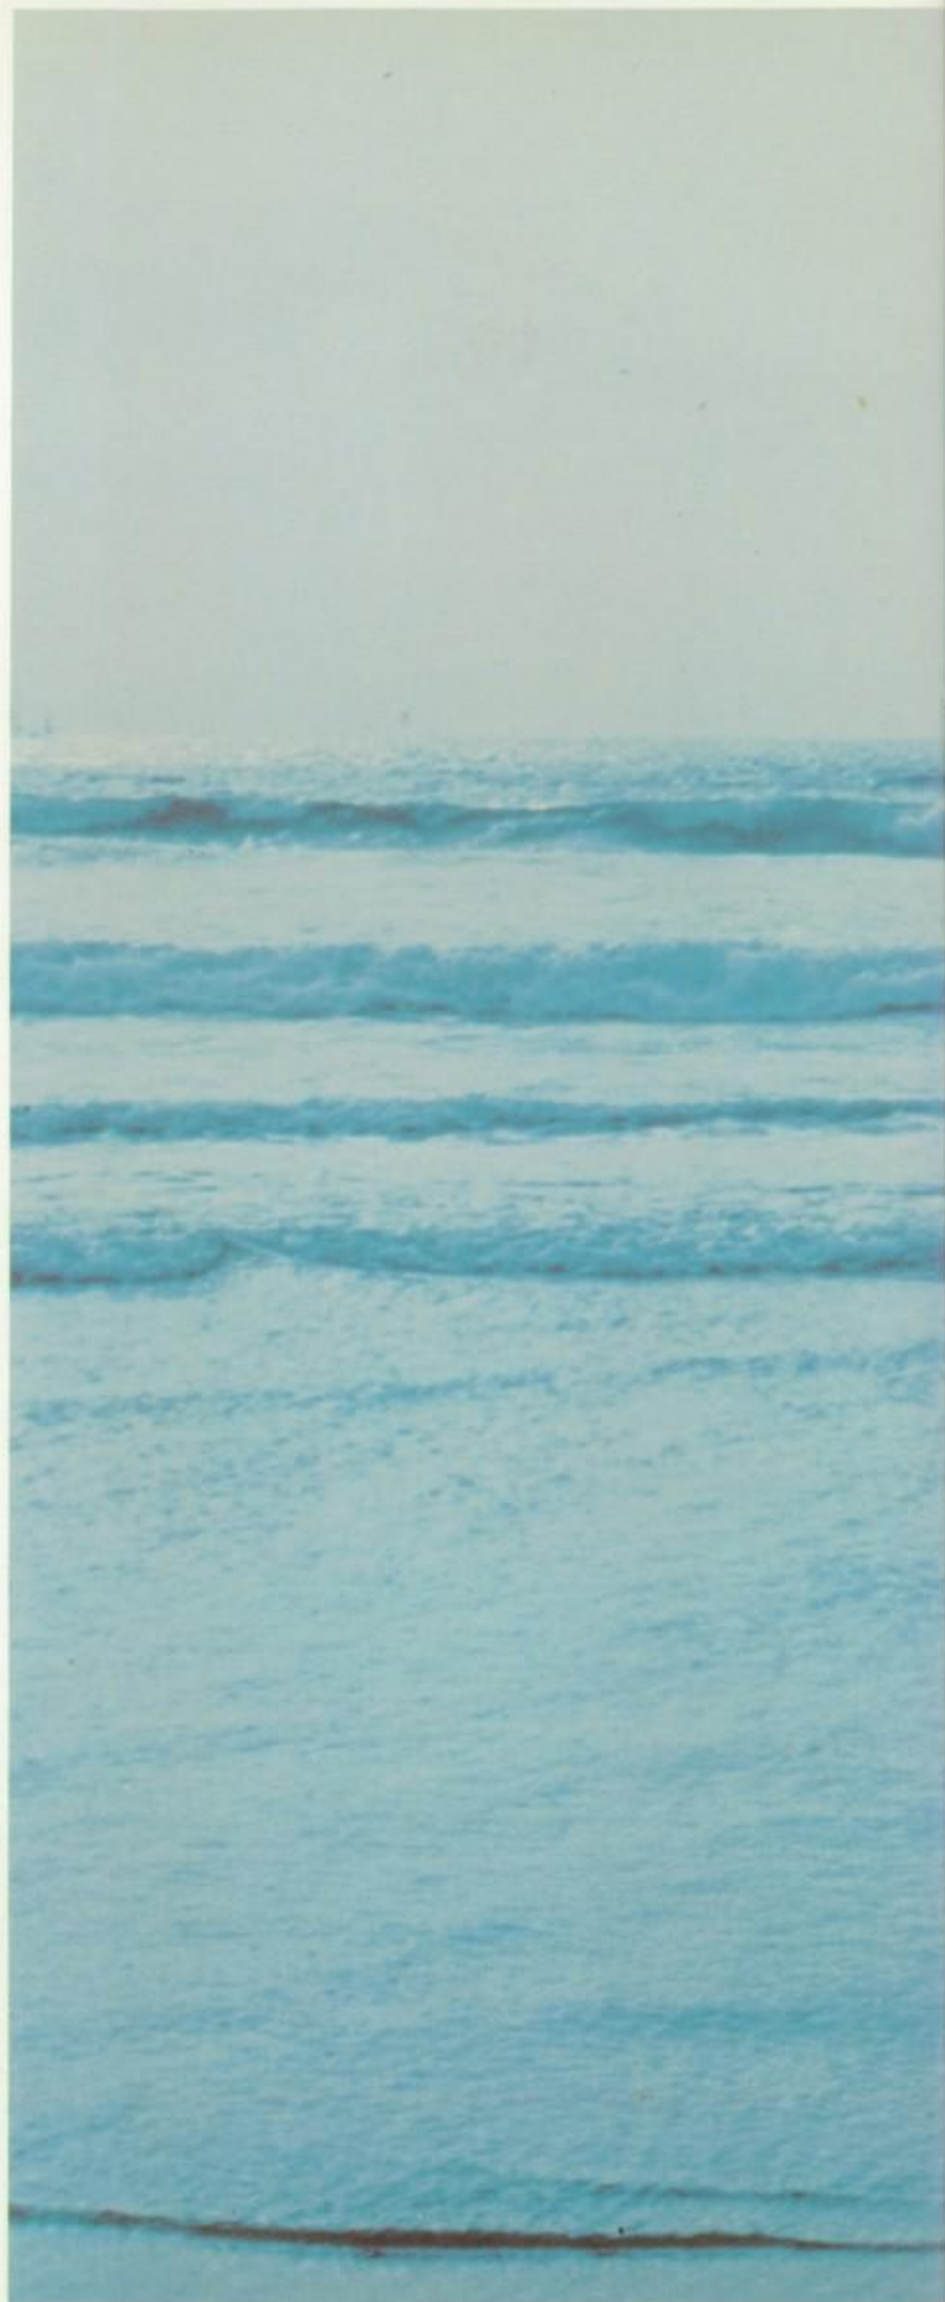

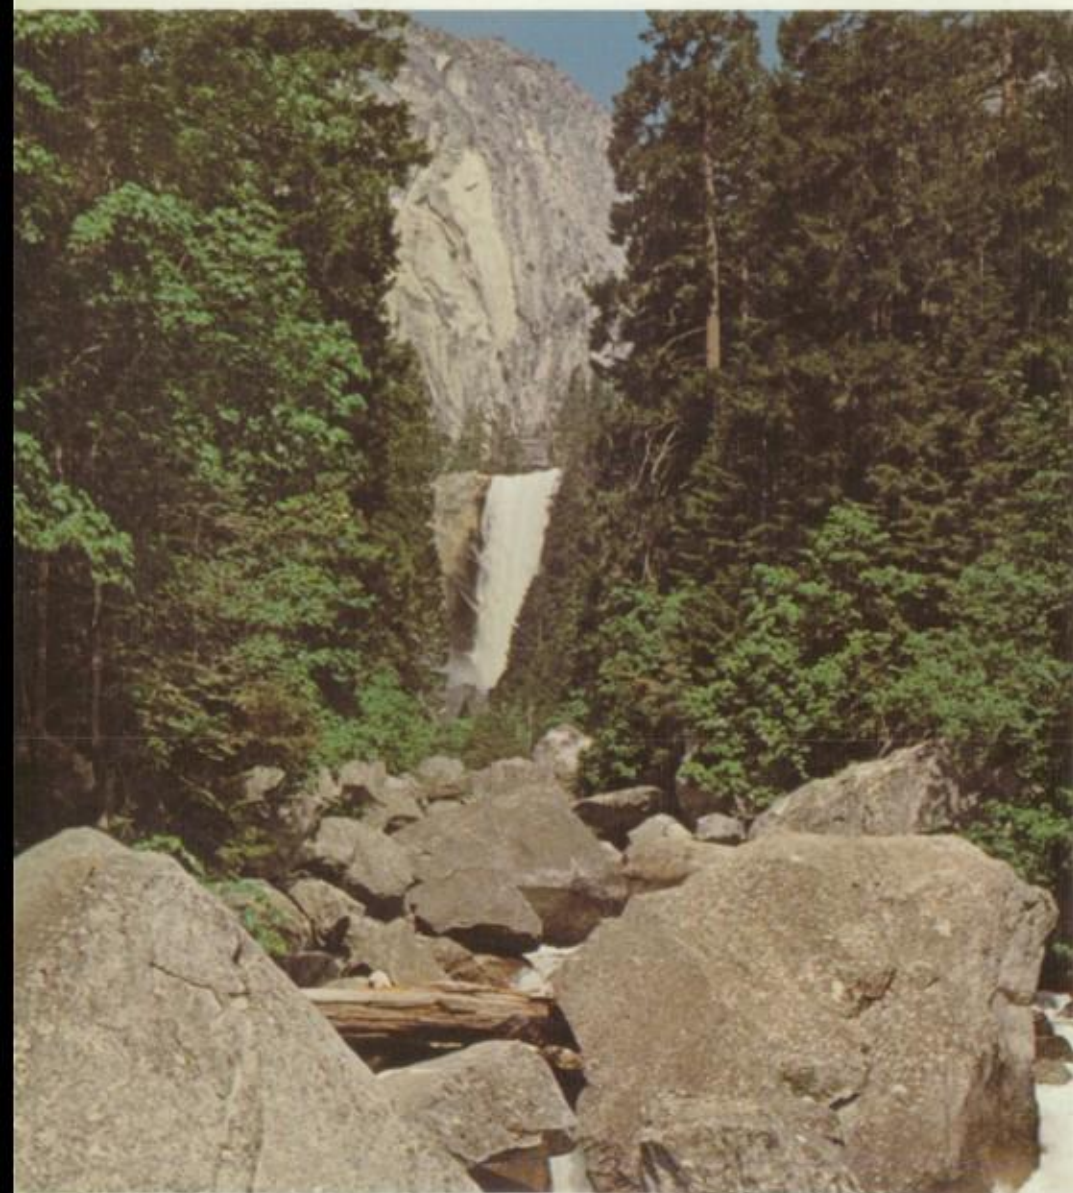

*With 1000 eyes, some could see no
more or be more wise.*

*If only good you cannot say
Of a brother, foe or friend.
Then only take the silent way,
Lest in word you should offend.*

Lift up your eyes to the mountains,
Breathe deeply the crisp sweet air.
Listen to the murmuring waters . . .
The spirit of peace is there.

Donna,
 To a sweet girl
 I'm glad I got
 to know you this summer
 have fun always

 cute friend for a while.
 I know for a good while
 it's a friend for a good while.
 to know you never get well
 but know you're terrible enough
 to know you're fun in this
 summer. Good luck always.
 to come. Like you always.

It was only a glad "good Morning,"
 As she passed along the way;
 But it spread the mornings glory
 Over the live long day.

*We need not carry a burdened heart,
Filled with fear for the coming day,
And let a murmur of discontent
Take the place of a song of praise.*

*If we will strive to be pure and true
To each of us there will come an hour
When the tree of life will burst into flower
And rain at our feet a glorious shower
Of something grander than ever we knew.
These are the reasons for being.*

DEDICATION

MR. PASSALACQUA

An arm of aid to the weak;

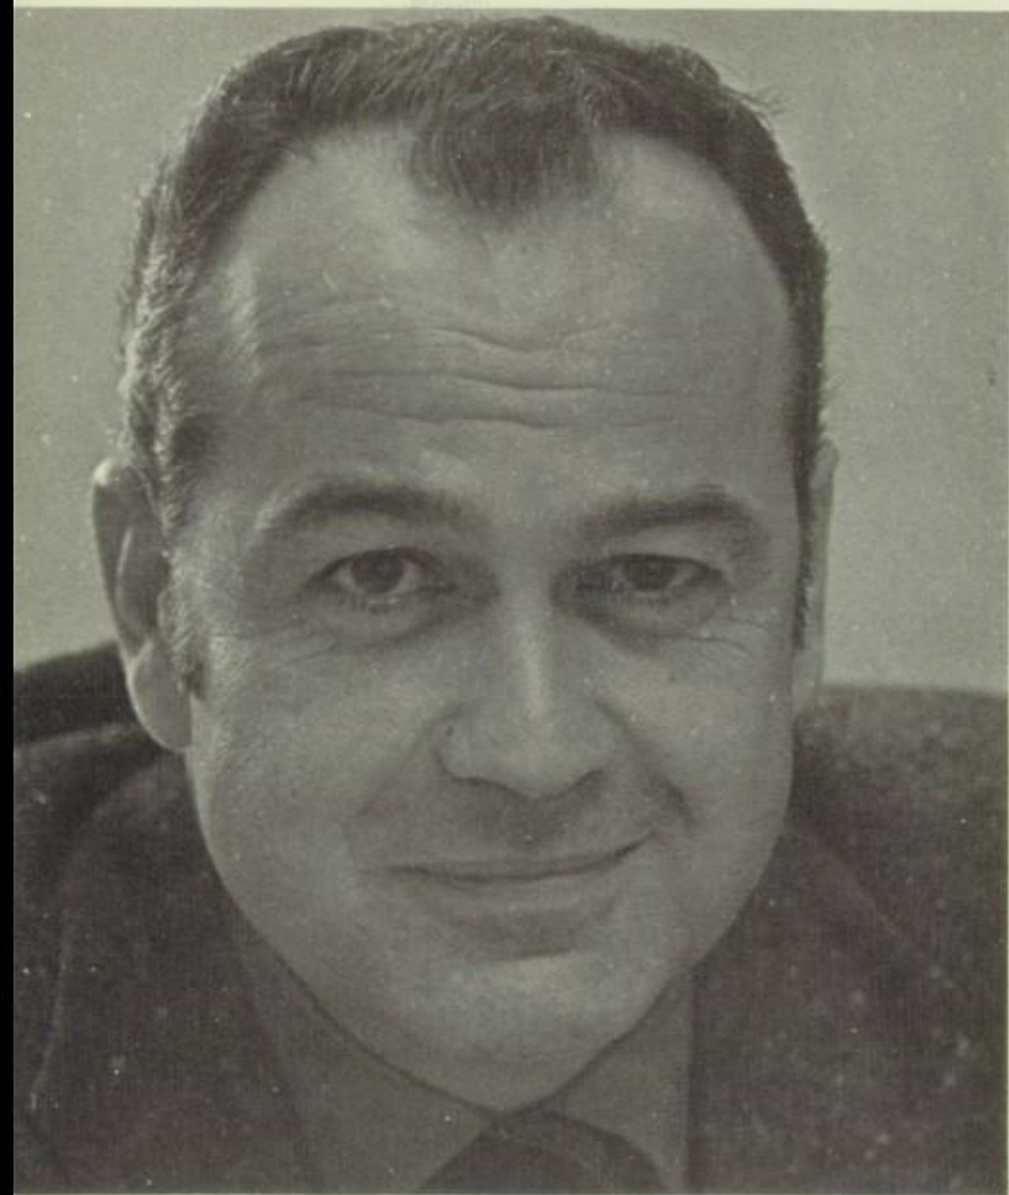

A friendly hand to the friendless

Kind words so short to speak,

But whose echo is endless

The world is wide, these things are so

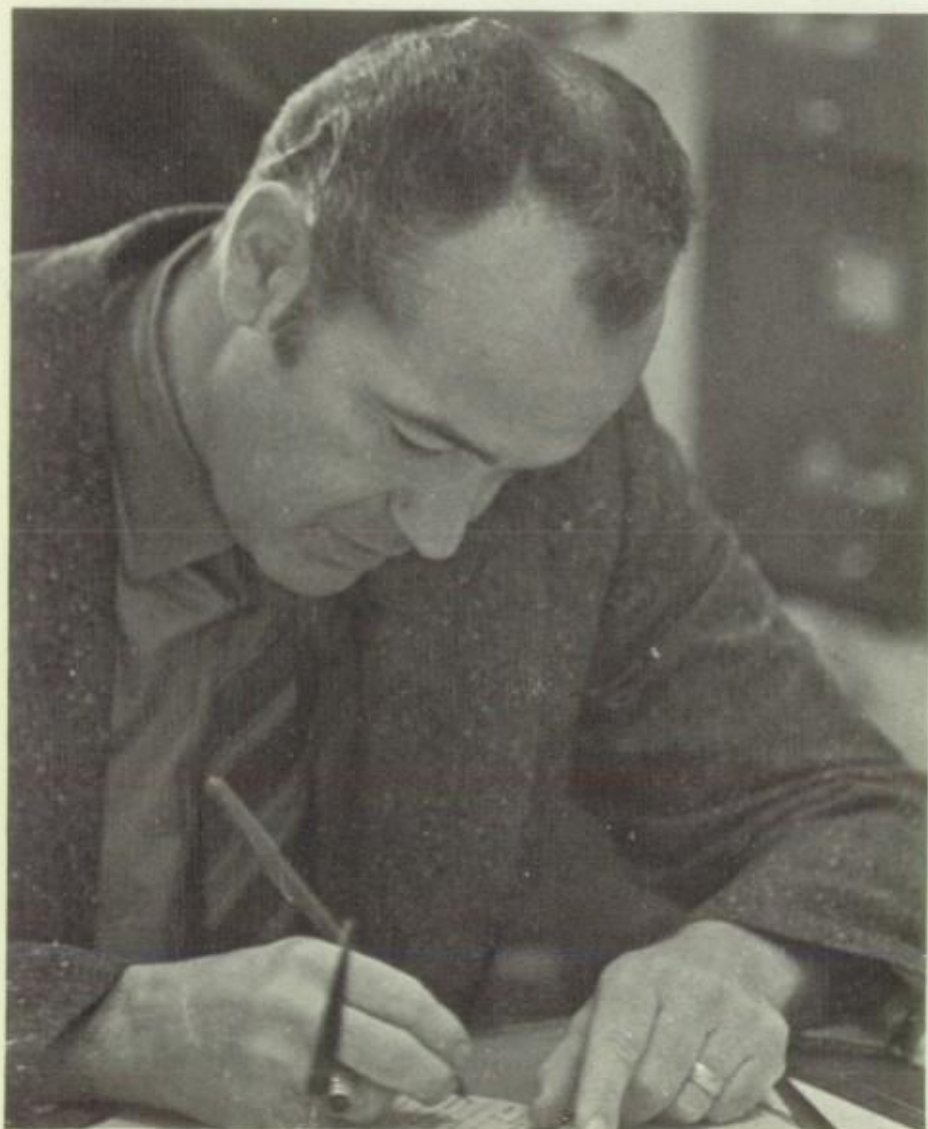

They might be nothing—but they

We, the Delian Staff of Piedmont Hills High School, dedicate our yearbook to a man who plays a very important role in our school system. As assistant principal, he is in charge of everything from tardies to drug abuse.

We owe to him a debt of thanks for adding the human factor into a very demanding job and helping the students who don't find High School a short and smooth road.

To the students as well as the teachers, he may not have the most rewarding job at this school, but we'd like to say now to John L. Passalaqua, "Thanks for being you; you're a beautiful person."

*You must be true to yourself
If the truth you will teach;
The soul must overflow if
Another's soul you will reach.*

Many people have wondered where the name of our yearbook, "The Delian", originated. The Delian originated from the Delian League, A Hellenic league, formed in c477 B.C., who kept their treasury on the island of Delos.

The story of the Delian League, was the story of the fatal unwillingness of the small Greek states to coalesce into a nation, and of the inability of Athens to enforce unity. It was this failure to join together,

that made suitable the conquest of Rome.

The island of Delos, the smallest island of the Cyclades of Greece, was also said to have been the birthplace of the Greek sun god, Apollo. Also, according to the island legends, Asteria, daughter of Titans, trying to escape the embraces of Zeus, leaped into the sea and was transformed into a beautiful quail. One of Delos' cities was named Asteria in her honor, but was later changed to Delos.

The Sea

I am old yet I am young.
You have torn me between responsibility life,
Yet I have not begun to live.
The rippling water reflects my thoughts,
Feeling past my eyes trying to form ideals,
Successful only when a wave holds its
position long enough that I may study it;
Which is never.
Why am I here?
To trouble others with my confusion?
To hate, to cry, to be lonely,
is an emptiness.
Its leaves you void of feelings,
and fills you with nothing and nobody;
But the trees, birds, grass, and sea.

The outlook is very rosy for the Pirate baseball program of the future. Coach Paul Dolan and his good right arm, Coach Gordon Chapman, feel that this year's freshman team is one of the finest Piedmont Hills has had in many years. At press time, the Pirate yearlings were undefeated in league play and driving toward an unprecedented **THIRD** straight frosh championship.

This year's squad, led by team captain, Joel Ballejo (3B), features extremely strong hitting by catcher Stan Satake, third sacker Randy Stringer, shortstop Marty Serrano, and the power hitting of outfielder-pitcher Philip Hinojos. Hinojos is also the ace of the pitching staff, with very able help from Ron Bennett and Alan Buzzetta.

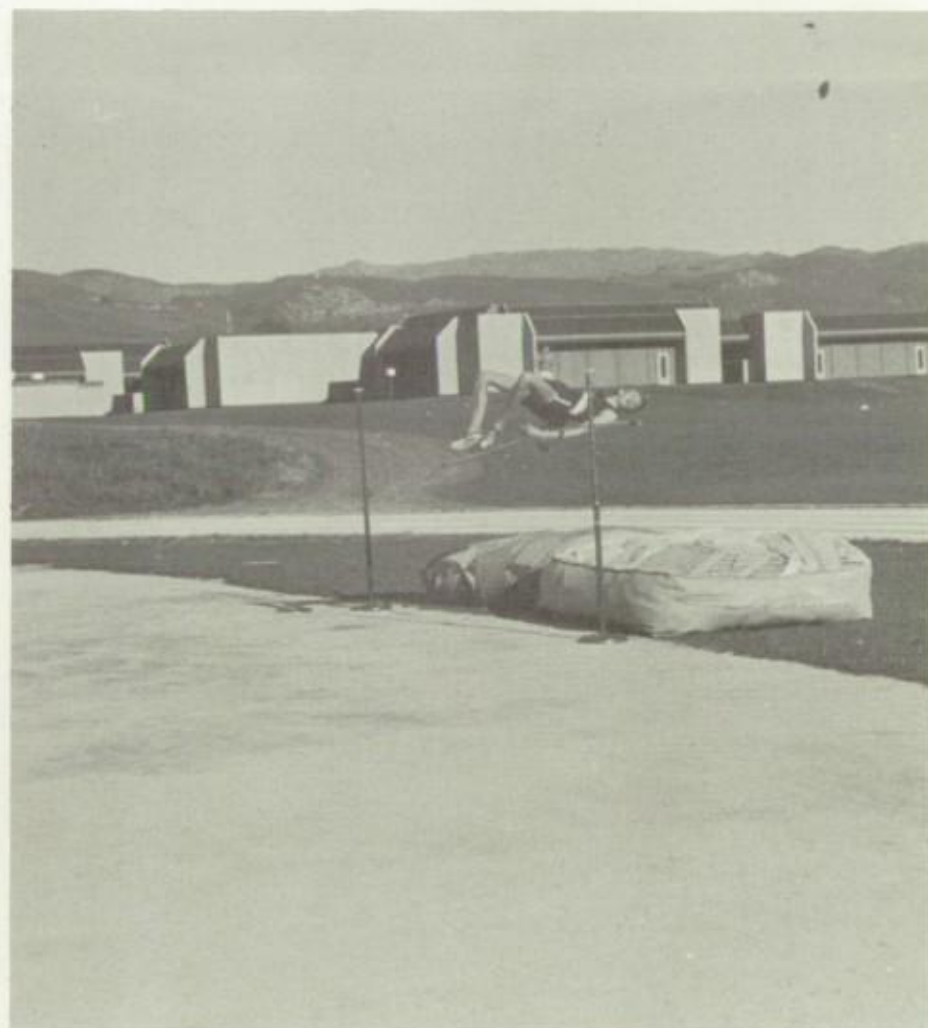

Since the freshman baseball program was recognized as a regular league three years ago, the Piedmont Hills teams **HAVE NEVER LOST A LEAGUE GAME!** This may be the most remarkable record compiled by any sports team in the Mount Hamilton League. Coach Dolan feels that he has the team to continue this domination of league foes, and his record thus far this season would indicate that his confidence is justified. The Pirates would appear to be rolling toward a third straight undefeated championship year. Coupled with fine records by the J.V. and Varsity clubs, Piedmont Hills could be the kingpins of baseball in the league for many years to come.

Senior Dedication

We, the Senior Class of 1971, wish to present the Senior Dedication to Mr. Doug Wong.

Through the years, his encouragement and unending advice has never failed to increase student involvement.

His added help in such projects as, car washes, candy sales and dances was financially successful. Moreover, his assistance in last year's construction of our 1st place Junior Class float contributed to an overall increase of class spirit.

His time and understanding will always be remembered by the seniors who cared.

1971 Senior Class

... We Try Harder

A black and white photograph featuring a graduation cap (mortarboard) with a tassel on the left side, and a vintage Hasselblad camera with a large lens and a square viewfinder on the bottom left. The background is dark and textured.

One of life's "Great Occasions" is taking place for your friends in the class of 1971 as they leave Piedmont Hills High School to take their places in a world of challenges and opportunities. Their portraits appear in the senior section of this annual. A time in their lives preserved for a lifetime of memories.

May we continue to be of service to you on all of your "Great Occasions".

Best Wishes
